

PANTHER SENTINEL

HARTNELL COLLEGE

Volume XXXVIII Salinas, California, Friday, September 13, 1968 Number 1

New Profs Add to Growing Faculty

The Hartnell College faculty has grown in number with the addition of 12 new members for the 1968-69 academic year.

Among the new instructors is Mr. John Willis Dee. An exchange instructor from England, Mr. Dee will teach Art at Hartnell. Mr. Dee has exhibited sculpture in Europe and the United States, and received his Advanced Degree (the English equivalent to the Master's Degree) in 1962.

Miss Anne Cathey will be a new addition to the English Department. Miss Cathey received her Master's Degree from San Francisco State in 1968.

Another new English instructor is Mr. Michael J. Lomax. An honor graduate of Chico State College, Mr. Lomax received his Master's Degree in June, 1968.

Mr. David E. Shipnuck will be teaching Economics and Business Mathematics at Hartnell this year. A graduate of the University of California at Berkeley, Mr. Shipnuck majored in Economics.

Mr. Kenneth D. Holback is the new Assistant Dean of Student Personnel. A graduate of Sacramento State College and California State College at Los Angeles, Mr. Holback has Secondary School Administration and Secondary School Teaching credentials. Mr. Holback will also be conducting orientation classes this year.

Mr. Larry M. Elder is a graduate of Wayne State University, with a major in Bacteriology. He has been awarded a NDEA predoctoral grant.

Sister St. Christopher Eaton is currently head nurse of the Intensive Care Unit at General Hospital. She received her R.N. from Mercy College of Nursing in San Diego.

Mr. Cameron Ervin will be the new Police Science Instructor. Mr. Ervin has previously taught Law Enforcement for the U.S. Coast Guard Reserve. He was a police officer with the Los Angeles Police Department for seven years. He majored in Pre-Law at Los Angeles City

Calendar of Events

SEPTEMBER:

- 19—Assembly.
- 20—Last day to add a class. "Guns of Navarone" and Disney cartoon, 7 p.m., S.U. Lounge.
- 21—FOOTBALL: Modesto at Modesto.

- 27—"North by Northwest," 7 p.m., S.U. Lounge.
- 27—FOOTBALL: Fresno City, here 8:00; Dance.
- Cross Country: Ventura, Hartnell, MPC, here.

College and received his B.S. from California State College at Los Angeles with a major in political science.

Hartnell's new agricultural instructor is Mr. Orville Helm. Mr. Helm has taught for the past four years at North Salinas High School, and is a graduate of Cal Poly.

Mr. David E. Raye is an honor graduate of San Jose State College with a major in Sociology and Minors in Anthropology and Education.

Mr. Tony M. Teresa is the new baseball and assistant football coach. Mr. Teresa previously taught Physical Education in the Salinas high schools. Prior to 1958 Mr. Teresa played professional football for the Oakland Raiders, the San Francisco 49'ers and the Vancouver, B.C., Lions.

The new coach of tennis and basketball will be Mr. Leonard D. Wilkins. Mr. Wilkins was head varsity coach of basketball at Montgomery High School in Santa Rosa, California.

Playhouse Becomes "Doll House"

With the opening of the "Doll House" in late October, the Hartnell Community Playhouse will begin an exciting and varied theatrical season, sure to delight the local drama enthusiasts.

"Doll House," an early 19th century drama by Norwegian poet and dramatist Henrik Ibsen, is a story about a 19th century woman with ideas far ahead of her time.

Readings and tryouts for the production will be held Monday, September 16, at 8 p.m. in the

Little Theatre.

Along with a cast of five men and five women, Mr. Hal Ulrici will also need about 20 more people for handling such necessities as props, wardrobe and makeup. For more information contact Mr. Ulrici about the coming production.

Further productions during the season will include "Heidi," December 16, 17, 18; "Cyrano de Bergerac," March 21, 22, 28, 29, and "Charley's Aunt," May 16, 17, 23, and 24.

Hartnell Packs 'Em in in '68

As over-crowded city schools spill their graduating classes into Hartnell, enrollment figures here continue to climb. This year's total figure is expected to be around 3300-2100 day students and 1200 in the evening division. The increase over last year's enrollment total is small—only five per cent—and is nowhere near the explosive growth rate of other schools, but continued registration increases are thorns in the sides of college officials, and tax an already over-burdened system.

Constant gains in student counts are particularly sticky problems, for while schools now are hopelessly over-crowded, this situation is expected to be only temporary. School officials are torn between expensive additions or a long waiting-out period.

Foreign students at Hartnell are partially caught up in this dilemma. In the quest for more office space, officials at Hartnell closed the dorm. Now, approximately 120 foreign students from around the world are searching for housing.

Official registration figures will not be in until later in the year.

Editor Promises to Fuse

CAMPUS IDEAS, POLITICS

Sophomore Thom Diggins, veteran journalist, seasoned political campaigner and neophyte radio man, takes over the reins this week as editor of the Panther Sentinel.

The political science major promises to make the campus newspaper a focal point of opinion and intellectual involvement.

Observers in Room 13, Sentinel editorial office, foresee a heavy political slant to the newspaper this fall, reflecting Thom's interest. A fervid McCarthy supporter, the new editor solicited contributions and votes this summer.

Thom covered the California Democratic Committee Convention in Sacramento in August, reporting events for radio KDON news.

The Palma High School graduate plans to enter San Jose State College next fall, if he can overcome the ensuing hurdles of keeping up his grades while editing, and avoiding irate readers—both students and faculty.

Commenting on Diggins' appointment, Sentinel Advisor Paul Johnson stated that, "... Thom will be one of the most ... uh ... I can't think of the right word ... editors that Hartnell has seen."

A typical Sentinel reporter,

■ TWO NEW DEANS for the Hartnell administration will be working closely together for this coming school year. Mr. Kenneth Holback (left) comes to Hartnell to fill the position of Assistant Dean of Student Personnel, while Mr. Oscar Ramirez will serve as Dean of Student Personnel. Both men's main concern will be focused on student problems on the Hartnell campus.

New Student Deans Map Hartnell Future

The Hartnell administration will have two new members for the 1968-69 school season. The position of Dean of Student Personnel, which was previously held by Mr. Karl Bengston, is now in the competent hands of an amiable Mr. Oscar Ramirez. Mr. Karl Bengston now has the title of Dean of Instruction.

Mr. Ramirez, who came to Hartnell from Merced College, has received his B.A. and M.A. in psychology at Fresno State College.

During his four year stay at Merced College Mr. Ramirez was Assistant Dean of Student Personnel. Both his experience at Merced College and his friendly

disposition should make his stay at Hartnell rewarding, both to the students as well as himself.

Mr. Ramirez has also been employed with the Fresno School system in the San Joaquin Valley. Besides his new position as Hartnell Dean of Student Personnel, Mr. Ramirez also has a family, which includes three children, to keep him busy.

The second new member of the administration staff is Mr. Kenneth D. Holback. The 37-year-old man will fill the position of Assistant Dean of Student Personnel.

Having received his B.A. and M.A. in Physical Education and Business, Mr. Holback went on to California State at Los Angeles where he received his M.S. in Counseling and Guidance.

Athletically inclined, Mr. Holback last taught at Placer High in Auburn, California. While there he was a prominent figure in the athletic department, being Director of Athletics, as well as Chairman of the Physical Education Department. Mr. Holback has also worked as an Engineering Aide for Andregg Engineering and Surveying during the summers of 1957-67.

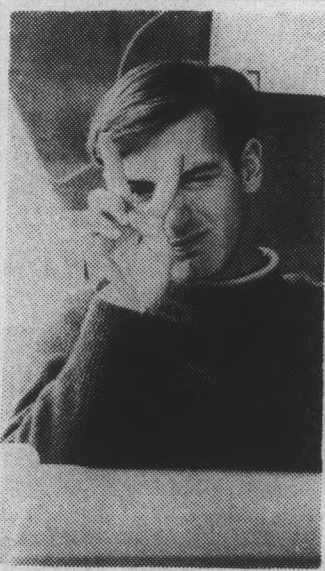

Mr. Holback has his credentials for Secondary School Administration and also Secondary Teaching Credential. He can also boast of a new wife. He was married on June 15, 1968.

With Mr. Ramirez already a family man and Mr. Holback barely experiencing the family life, the Hartnell Administration should receive some understanding ideas from these two fine men.

'SING OUT ASIA'

Salinas, the home of the "wild west rodeo" will soon sponsor 150 young people from the Far East. The Oriental minstrels will be in Salinas on September 24, when they will present their program of Eastern dances, songs and music in the Salinas High School auditorium.

Housing is still needed for half of the troupe. If you are interested in sharing your home for a night, call 424-6689.

EDITOR ... peace on campus.

No. 1 Scoring and Rushing

THE ROCK RETURNS

Black Is Beautiful

By Jim Rimando

All-American candidate half-back Rocky Thompson is back, and that's one of the main reasons why the Hartnell College Panthers are heavy favorites to repeat as Coast Conference champions.

The hefty 5'11", 200-pound versatile ace-runner has all the credentials of being rated among the best in junior college football history.

Thompson proved to be an important asset to the Hartnell offensive attack his freshman year last season. He led the nation in the scoring and rushing average category, with 164 points and a 9.36 average, re-

spectively. With those statistics, the Panthers wound up with a 9-1-1 record and captured the first state small junior college championship.

Thompson has the tools of being a major college product. The explosive back can run, block, pass, kick, and catch with the best of them.

A senior All-American at Marshall High School in Chicago, Thompson also played football at Yokohama High School in Japan his first two years as a prep.

When asked about last year's prime reasons for his overall success, Thompson commented, "Fullback Larry Crawford contributed greatly in opening the

In the early days of September, football seems to be foremost in the minds of the sports orientated individuals. The memories of the Panther squad of last season are renewing themselves. A repeat performance, although welcome, is not expected; however, hopes are far from dim.

Returning to the '68 squad are 17 lettermen. Among the linemen and backs returning are: Rocky Thompson, Don Short, Jim Jones, Tim Schallich, Jesse Gomez, Bruce Olson, Dan Short, Tony Bozzo, Joe Balgua, Sheldon Cooper, Bert Barden, Ed Brown, Tim Dooley, Gary Antony, Lenny Ruminer, and Mike Martin.

Many newcomers are also in training with the hope of filling a position on the first team. Entries from surrounding areas include: (backs) Billy Fields, Jim Erickson, Bob Echevaria, Bill Bigaman, Pete Villarreal, and Paul White; (linemen) Manuel Gomez, John Petersen, Rex Smith, Neil Thomson, Jim Guzman, and Doug Truesdale.

Coaches Smith and Teresa are both at the height of business to compose, direct, and establish a strong Panther squad

way by blocking the linebackers and the secondary backs. But actually the whole line played a vital role in making running room, and especially tackle Ted Gerhart, who did an outstanding job."

The returning letterman hopes to continue his football career with USC, UCLA, or with one of the major midwest colleges. In the meantime, Thompson will be carrying the pigskin for the Panthers and will be helping to capture a second straight state championship.

Off the gridiron, Thompson is majoring in Speech and Drama, and works during his spare time at the juvenile home in Salinas.

When on his leisure time, Rocky likes listening to recording-stars Andy Williams, Hugh Maskaleh, and Wes Montgomery.

With the return of Thompson in the backfield, this could be another year of the Panthers.

for the upcoming game on the 20th at Modesto.

Newcomers

Three new and important faces will be seen this year in and around the Men's Gym. First, Mr. Len Wilkins, a former coach at Santa Rosa, will be taking the chore of coaching this year's basketball team. The previous year his basketball squad at Santa Rosa posted a 21-1 season. Also, Mr. Wilkins will teach physical education and coach the tennis team in the spring.

Second on the list is Mr. Tony Teresa, a former teacher and coach at Alisal High School. Mr. Teresa will combine forces with Coach Smith to help shape the football team; he will also help coach the baseball team in the spring.

The third man, Mr. Wes McWilliams, is now a teacher at North High in Salinas, but will render his services to Hartnell later to coach the wrestling team.

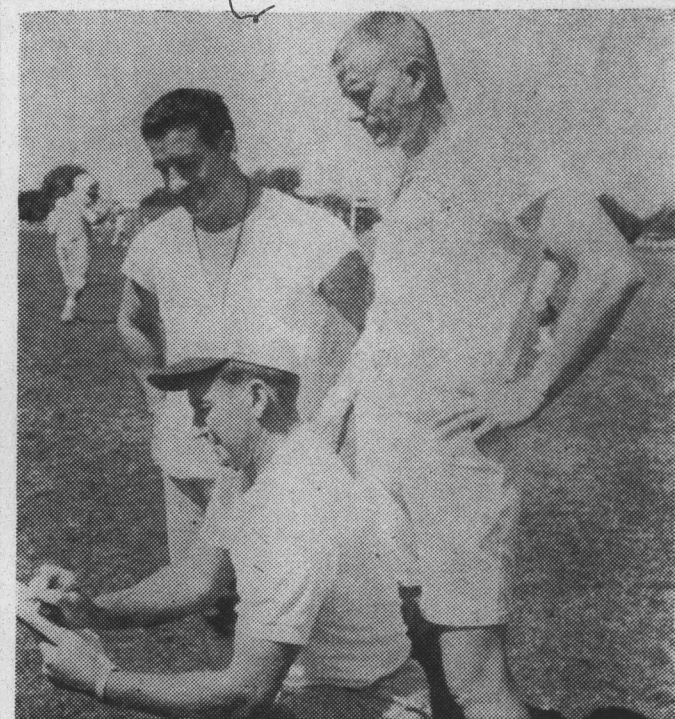

Conference Teams

The list of conference teams, to be included in this year's schedule, present a couple of new names. Monterey, Cabrillo, Gavilan, Menlo, Ohlone (in Fremont), and Hartnell will be the new conference teams.

Cross Country

The 1968 cross country team is in the process of being compiled. Coach Adams' list of cross country members includes: Billy Bell, Jeff Berryessa, Bryan Bradford, John Jones, Ed Koller, Glen Walden (the only newcomer), and Tom Aguinaga. Mr. Adams is hoping for more fellows to come out for the team. However, Coach Adams feels that this year's squad will be better than last year's team and will do "fairly well in the conference."

The first meet will be held on September 28 against Ventura and will take place at Fort Ord near the Highway Patrol area.

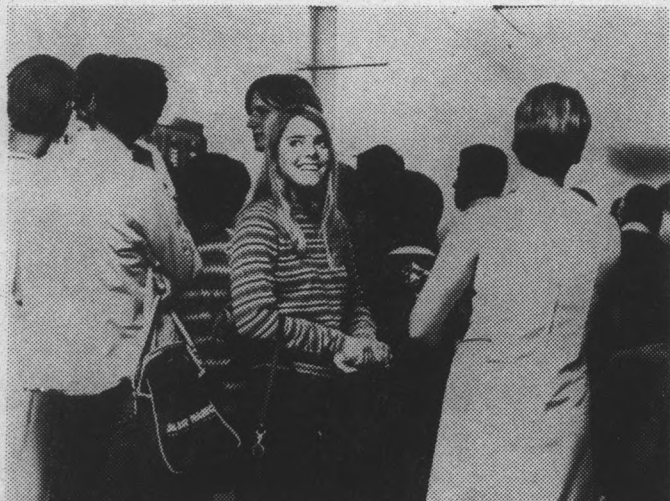

■ HEAD COACH ARVIN SMITH (kneeling) maps out strategy for his assistant coaches, Tony Teresa (left) and Bob Kelly. With many returning lettermen and a substantial number of strong newcomers, Coach Smith's "mighty Panthers" will be sure to make this year's football season as great as last year's.

"... TO GIVE US LIGHT ..."

The 1968-69 school year is officially open. Meantime, in the "outside world," the call for young people grows louder all the time. Never before has so much stress been placed on youth; the future of this country depends on us—the students. We should not shrink from this challenge, for it has been challenge that has made this country great.

As students, it is sometimes hard for us to determine which path to follow—the side roads are many and we do not always see clearly.

It is my hope this year to use the Panther Sentinel as a beacon. We will give light enough to see what lies ahead, but at the same time hope that we do not blind anyone. —TD

■ ONE SMILING FACE in a seemingly endless line of new and old students stands out like a neon sign at night. An uncommon Tuesday—first day of school. Enrollment promises to be slightly higher than last year.

East Campus Now Within Eyesight

The bare earth behind and adjacent to Merrill Hall is not a seek and destroy mission for gophers. This area, as designated by the Ground Breaking Ceremonies last Wednesday, will be the site of the Hartnell Vocational-Technical building.

The main purpose of the Vocational-Technical building is to provide programs of mechanics, carpentry, drafting, radio-tv repair, and welding to the main campus. This new building will house a good majority of the east

campus programs. Thus more unity and convenience should be established for Hartnell as a college and as a structure for education.

The \$930,750 building will be a structure of one story, tilt-up, and exposed aggregate in appearance, and will cover 40,250 square feet of land. The finished product will resemble the existing science building. The Vocational-Technical building will be designed to reduce noise on the outside and inside of the structure.

The contract for construction was given to H. A. Ekelin and Associates by the Hartnell Governing Board. Construction should take about 270 days, and the day of completion is set for May 31, 1969.

ON-CAMPUS JOBS:

Clerical, library, maintenance; pay \$1.50 per hour; working hours can be scheduled around student's free time; apply through the Dean of Student Union.

FOR SALE:

'56 Classic TR-3; superb condition; new tires, upholstery and top; extra parts included (tachometer, carbs, points, etc.). 449-1250.
